PLAN AHEAD!

As I'm writing this I'm in the midst of preparations for the Annual Dinner. There is a lot going on with the Club, both locally and at the national level. Just a reminder if you haven't voted on the proposed amendment changes, the deadline is February 15. You should have received an email. As a Board we recommend to vote NO to this proposal.

BMW CCA is not the organization it was when things started back in the '70's. You wouldn't expect it to be 50 years later. So, the BMW CCA Board is trying to look to the future and address current problems. Many chapters besides Windy City BMW are struggling to find volunteers, leaders, and finances to serve their membership with events and activities. The reasons vary, it might be too large a geographic area without enough members, it could be lack of willing volunteers/leaders, finances, and just people not having the resources to accomplish their vision. Due to these issues BMW CCA is looking to expand their authority over the chapters. Many chapters are willing to absolve as a chapter, giving up their incorporated status, and rely on BMW CCA to handle the finances, newsletters, and event coordination at a regional level. For those chapters like Windy City BMW, who have strong membership, resources, financial stability, and a wealth of great volunteers and leaders, I think this direction is a bad idea. Our chair people put on great events for the members and participation is up the last few years.

I will be working with the rest of the Windy City BMW Board to make sure we are serving you – our membership with fun events, interesting meetings, charitable opportunities, and of course the chance to drive your BMW the way you want to!

As we head into 2019, we are looking for fresh ideas, new blood, and volunteers to support FUN!

See you in 2019. Happy Motoring **GRAIG NEVILLE**

BUY AND SELL STUFF-

WINDY CITY BMW MARKETPLACE.

Windy City BMW has a Facebook page that is for sales of stuff. It is now separate from our Windy City BMW page.

The name is: Windy City BMW Marketplace

So type that in at Facebook and ask to join. Then you can look at all the stuff for sale and put what you want to sell up there too. You should really join both group and keep up on what is going on.

ANNOUNCEMENTS

NORTHERN ILLINOIS FOOD BANK

DATE: March 16th

TIME: 9:00-12:00

LOCATION: 273 Dearborn Court, Geneva, IL 60134

Windy City BMW has a Work Day to help others. Please join us at the Illinois Food Bank warehouse in Geneva. Email nifb@windycitybmw.com if you're able to attend.

Nearly 600,000 people in northern Illinois turn to food pantries and meal programs to feed themselves and their families. Northern Illinois Food Bank serves more than 71,000 people each week, but they need our help. The Food Bank receives donations from large corporations, but they need warehouse volunteers to inspect, sort and package the food before it can be distributed to our hungry neighbors. Windy City BMW is volunteering our time to help others. Please join us at the Illinois Food Bank warehouse in Geneva.

Email nifb@windycitybmw.com if you're able to attend.

PLEASE RSVP

KARTING SERIES 2019.

Mark your calendars for this season's karting series. As in the past, we will be racing at K1 Speed, alternating between the Addison and Buffalo Grove facilities to give all of our members the chance to participate.

* **Saturday, February 23** at Addison at 10 a.m.

* **Sunday, March 10** at Buffalo Grove at 10 a.m.

We will be running as a group with structured pricing. The total cost is \$65.00 per driver; each person will get three runs. The first run is 12 laps to warm up; the second run is 14 laps to determine starting positions for the third run, the grand prix. The top three driver from each seed will receive trophies. I look forward to seeing everyone this year!

Please RSVP to guarantee your spot at

KARTING I - K1 SPEED ADDISON

On January 6, 2019, we held our first Karting event of the year. We were out at K1 Speed in Addison. It was great to get together to do some racing!

We had great turnout of racers allowing for two heats. In the fastest heat, Clinton Whiteway took first place, Patrick Sonin in second place; followed by Norbert Sobotko in third.

In the "safe" heat of the day, Jim Michener took first place, Jerome Cahuzac in second and Raivo Vambuts following in third.

If you couldn't make it out, there are plenty of opportunity to join us. We have upcoming races on the following dates and times (please note the locations):

February 23 (Saturday) 10 a.m. - Addison

March 10 (Sunday) 10 a.m. - Buffalo Grove

Members and their guests are welcome! The total cost is \$65.00 per driver; each person will get three runs: first run will be 12 practice laps; the second, 14 lap qualifying run; and the final run will be 16 laps with the top three drivers of each heat receiving trophies. We have a blocked reservation and we will be the only group running during our block. On the day of the event, we also ask that you try to arrive 15 minutes early to check in.

It is imperative that people who plan to attend send me an email RSVP at least 7 days prior to the date(s) you attend so that we can give K1 an accurate driver count.

In my time on the Board I have never figured out if the Annual Dinner is more an awards presentation for achievements in the past year or a kickoff to the next year – maybe its both. Regardless having a 47 year run of any event is an amazing achievement and we did not disappoint for this event. There were notable faces that we are sorry to have missed, but we also met new faces, with new smiles, rekindled old friendships and hopefully started new ones as well. That's really what the Club is all about.

The evening kicked off with snow. This prevented us from having Bill Jacob's supplied cars for dinner guests to crawl in and out of, but these things can't be helped sometimes. Bobak's Signature Events hosted another tasty dinner and our prize support was fantastic this year. The generosity of so many donors who provided so much was very impressive. We had so much that we will be giving away coozies throughout the year! The donor list is in this Breeze and will be published on our website. Please give consideration to these corporations and please send out those thank you post cards!

We had several volunteers at the event that I would like to point out. Our photography team consisted of Larry Schettel, Tim Head, Jim Jelke, Mary Glaz, and Phil Gullett. The photos are throughout this Breeze and more are on the website. Registration and set up volunteers were Barbara Adams, Larry Schettel, Pam & Tom Imholz, Charlotte Braddy, and Lisa Ho. Robin Blair coordinated the slide show, and I even got my parents, Phil and Louanne Neville to help out and Phil was the prize MC. Nathan, John and Albert were our doorprize runners,. Speakers for the evening included John Schwarz, Tim Head, and Randy Everson. We had a special announcement about the proposed BMW CCA proposed language amendments from Dave Farnsworth and Robin Blair talked about an exciting new idea for a pairs competition this year. Kate Thomas from the Northern Illinois Food Bank spoke to the support the Club has provided over the past 10 years where the generosity of Club members have contributed over \$25,000

and many hours of volunteerism.

The **Clutch Award** was given to John Roselmeier for his leadership role in the driving events committee, and the **Overachiever's Award** (the famous toilet seat) when to the autocross couple Ed Graff and Clint Whiteway. Appreciation awards were distributed to all the event hosts and sponsors and all the event chairs were recognized for their volunteerism in 2018. It was a very long list! The work that these folks have put in to make fun events for all of us is what the Club is really all about. Thank you!

Autocross awards were distributed for the 2018 season by John Schwarz and pictures of the short-track fast drivers will be in this Breeze and the website gallery. **Rookie of the Year** was Jack Lucarz. The Yokohama Tire Certificate for the autocrossers who attended at least 3 event during the season went to Jack Lucarz. There was a one out of 39 chance to win.

Election results are in! Your new President will be Pete Aument. Vice President will be Graig Neville. Treasurer will be Charlotte Braddy, and the Secretary will be Albert Velasco.

The charity silent auction capped off the event. For the Annual Dinner, your charity generated **\$1,575 for Gigi's Playhouse, \$1,310 for the BMWCCA Foundation, and \$3,070 for the Northern Illinois Food Bank. Our silent auction items generated an additional \$1,700.** Thank you for the generosity of the suppliers and the buyers!

The \$1000 Gift Certificate from the Raffle went to Robin Blair and the Tire Rack Certificate went to Larry Schettel.

Wrapping up, the 47th Annual Dinner was a success due to the work of several volunteers, the generosity of the prize donors, and YOU the Windy City BMW club members who attended and participated throughout the year. We now close the books on other great year for the Chapter and we have many new and fun activities planned for 2019. Stay tuned and as always.

COLLECTORS' CAR GARAGE

AUTOCROSS SCHOOL -APRIL 28

Aus Freude am Fahren. Loosely translated as “for sheer driving pleasure”, this slogan was used by BMW to describe the experience and purpose of their cars. Almost all of us can relate to the joy of driving your car a little lively on a winding backroad, and start to realize how performance-oriented our vehicles are, if given the opportunity. As a good, law abiding motorist, you never can realize your car’s potential on public roads. You also may be hesitant to participate in a track day, as we have all heard a phrase similar to “never take a car to the track you are not comfortable with being totaled”. As such, many BMWs live a life of commuting, errands, and an occasional backroad blast. However, if you are wanting to see what your BMW can do and want to experience “sheer driving pleasure” without the potential risk of a track day or a traffic violation, autocross and autocross school is for you!

The Windy City BMW Autocross School takes driver’s education to the next level. Learn car control techniques in the classroom and on a closed course in a fun, safe environment. Generally speaking, the biggest danger is rubber cones and your pride. This school is a non-competitive event where you will learn how the Windy City BMW Chapter runs competitive autocrosses, and start to get a feel of how your car truly performs.

The day will start with a classroom element, where we will discuss car control physics related to weight transfer, tire adhesion, seat position, and racing lines. The Windy City BMW Autocross manual will be included. Then instructors will walk you around the course, explaining racing lines and how to navigate the “sea of cones”. Finally, we’ll break up into run groups and begin driving the course with your instructor. Bring your own car and find out what your BMW is capable of doing. Non-BMW vehicles are also welcome to participate! The school is designed for people who are new to autocrossing. Novices/rookies will have priority should the school fill up.

DIRECTIONS: Our venue will be at Boomers Stadium in Schaumburg, just off the Elgin-O’Hare Expressway. The exact location will be sent with additional materials for folks who sign up and instructors.

DATE: SUNDAY, April 28, 2019

PLACE: Boomers Stadium, Schaumburg, IL

CHAIRMEN: Graig Neville phone: 630-207-4071
John Schwarz phone: 630-636-0330
email: autocross@windycitybmw.com

STUDENTS: Limited to 40 students. We are looking for students with little or no previous experience. If you have previous autocross experience you are welcome to attend, but we will give preference to novices if the school fills up. (You must be a BMW CCA member, associate member, or guest of a member to participate)

VOLUNTEERS: Club instructors will be receiving an interest and availability email in the near future regarding autocross school, but we are always in need of people to help with registration and work our event. Cookies will be provided to all volunteers!

SCHEDULE: CHECK IN 8:30 - 9:20AM

SCHOOL STARTS AT 9:30 sharp. A detailed schedule of the day will be provided at the event.

LUNCH: On your own. There is fast food in the area or bring something to eat and drink.

RUNS: Instructor runs and fun runs are for the benefit of enrolled students. However, guests that wish to “Taste” autocross may ride with instructors during the day when students are not driving.

HELMET: MINIMUM OF SNELL 2010 RATING. We do have club helmets for loan. However, if you can bring a helmet it is best because of limited quantity and sizes.

NOTE: For students under 18 years old with a valid driver’s license (LEARNERS PERMITS NOT ALLOWED, sorry), go to: <http://www.windycitybmw.com/autocross/MinorWaiverRelease.pdf> for a special waiver prior to attending. Driver and both parents must sign the waiver and bring it to registration the day of the event. The waiver also applies to guests and non-driving participants.

NO PETS, NO ALCOHOLIC BEVERAGES

FEE: \$50.00 if paying by check, \$52.00 if paying by PayPal
YOU MUST PRE-REGISTER!

Applications can be sent via email or mail. **The deadline to register is April 24, 2019 or until full.**

YOU MUST PAY IN ADVANCE OR YOU WILL NOT BE INCLUDED AS A PARTICIPANT.
