## Sunrise/Sunset 2026 Dates

We are currently planning to do the sunrise/sunset drive on January 31, 2026 and meet for dinner the night before. One of our members has shared his favorite route from Flagler Beach to Crystal River. Much more interesting than Route 44 which we drove this year. Pencil this date in on your calendars and watch for updates.

## Museum Tour - Naples

February 12-14, 2026

We collaborating with the Florida SunCoast chapter to tour the Revs Institute on February 13. The FSC registration page for this event is below:

<https://fscbmwcca.com/event/fsc-2026-feb-revs/>

There is a "Buy Tickets" link imbedded within the page that will open a MotorsportReg page where tickets for the event may be purchased. The Revs tour starts promptly at 10:30AM (arrival at 10AM) with lunch immediately to follow at Michelbob's Ribs & Steaks.

Sunshine members will be driving down on Thursday, February 12 and staying at one of the hotels in the area. We will need a head count for this so RSVP if you're attending. Also let us know if you want to stay two nights and drive back on the 14th. We will select a hotel once we have a good idea of head count.

(The hotel will probably be South of Naples.)

We are also considering a dinner with the FSC members on the evening of the 12th.

This tour will also give us to do try out some of the excellent FSC driving routes on the Suncoast.

If there is a local Cars and Coffee event or local car show that you attend, please let us know so we can add it to our calendar!
