Well, it’s almost summer—and it can’t come too soon. With devastating floods and tornados over much of the Midwest, our hearts go out to our friends and family in those stricken areas—and we are all family at times like these. If you’re among the fortunate who have not been directly affected by these tragedies, please remember to reach out to your neighbors and help however you can.

**Have a safe and enjoyable Memorial Day Weekend!**

The National Office will be closed on Monday May 30, 2011 in observance of Memorial Day. Please thank our troops and veterans on this special day!

**New Chapter Logo Standards are past due!**

*If your chapter has not submitted your new logo for approval, you must do so no later than June 15, 2011!* To download a copy of the new logo standards, please use this link: [www.bmwcca.org/logo_standard](http://www.bmwcca.org/logo_standard).

Please be advised that every chapter MUST submit their logo for approval. When ready, send your logo to the executive director at frank_patek@bmwcca.org. If your chapter is in need of assistance please contact Frank Patek, Steven Schlossman, or Stephen Elliott as soon as possible.

**National Office hours limited May 31–June 3**

The National Office Staff will be in database training Tuesday through Friday of next week. That means for most of those days, the phones will be set to night ring. Calls and e-mails will be returned as soon as possible but there will be delays.

**New website, database to be launched in June—no, really!**

I know, I know, you don’t believe it—but it’s true. On June 13—hey, that’s not a Friday, is it?!—we will launch our new website and database. The changes will be many, and ease of use should improve dramatically. Getting there, however, will entail one last push beginning at 5:00 p.m. EDT on Friday, June 10. At that time the current database and website will shut down as we begin the conversion to our new database. The scheduled time for the conversion is 48 hours. On Monday, June 13, we will complete the migration and launch the new systems.

If you try to visit the website over the weekend, you will see a temporary home page indicating that the site is under construction. Anyone wishing to join or renew their membership during the weekend will be able to do so using a temporary form. An e-mail blast will be sent on June 6 to all members with valid e-mail addresses, giving them notice of the pending shut down and allowing them time to renew early if they so choose.
National Board Meeting: June 25-26, 2011

The BMW CCA Board of Directors will meet at Lake Las Vegas, just outside Las Vegas. The meeting will commence at 8:00 a.m. on June 25, and end at approximately 5:00 p.m. We’ll address any follow-up work Sunday morning and end at noon. As always, local BMW CCA members in the area are welcome to attend the meeting; those willing to endure the full day on Saturday are invited to dinner that evening. If you plan to attend, please contact Linda Axelson at the national office at 864-250-0022, or send her an e-mail: laxelson@bmwcca.org

Rats: May membership numbers fall slightly

While BMW CCA membership has remained relatively stable in 2011, with a modest gain between March and April, it fell by over 300 members in May, leaving us with about 1,600 fewer members than in 2010. Oddly enough, we actually signed up more than 1,100 members during the month, compared to fewer than a thousand in April—but as usual, the members who fail to renew, for whatever reason, result in our declining numbers.

Members join for a variety of reasons, but chapter activities and associations are the primary elements of sustained loyalty. Though national programs may attract new members, retaining those members is primarily a chapter-driven phenomenon.

Our chapters are the heart of Club activity, the spirit and soul of the BMW CCA. It’s through your chapter recruitment efforts—along with enough activities to satisfy your members on a local level—that we hope to grow the BMW Car Club of America. Thank you for your continued offerings to your current members—and for your efforts in recruiting new ones!

**2011 BMW CCA Membership Drive sponsored by BMW Performance Center**

Each year, BMW CCA members are eligible to participate in our annual membership drive. Besides maintaining the health of the Club, members can earn BMW CCA Bucks and be entered to win great prizes. And this year those prizes just got better, with some help from our friends at the BMW Performance Center!

In a recent survey, many new members cited BMW CCA’s 15% discount at the BMW Performance Center as one of the leading reasons they joined the Club. To capitalize on this unique benefit of Club membership, every single participant in the 2011 BMW CCA Membership Drive will have an opportunity to win an M School session of their own. There will be one drawing for members who successfully make referrals, and a separate drawing for those who are referred.

Each time a Club member successfully makes a referral during 2011, that member will be entered into a drawing for the M School—as well as other prizes. For example, if John Smith refers ten new members in 2011, his name will be entered ten times for an M School.

Since turnabout is fair play—and every great marketing effort comes with a hook—we are also going to enter each person you refer in a separate drawing for an M School! Say John Smith refers Jane Doe, who then joins BMW CCA. Jane, along with every other 2011 referral, will be entered to win an M School of her own.

In the midst of a recovering economy, there has never been a better time to be a member of the BMW CCA—or a better time to join! No one knows better than you how vital our discounts and technical help are, to affordably keeping your Bimmer on the road. Who has more fun doing it than we do?

Why not let a friend, or even a stranger, in on the benefits? Refer someone today—or at any time during 2011—and not only will you help the Club grow, but you can earn yourself BMW CCA Bucks for Club merchandise, memberships, and events—and be eligible to win the M School. We all know it’s the cars that bring us together, but it’s the people that keep us here year after year. So let’s increase our ranks in 2011!

The membership drive for 2011 runs through **Dec 31, 2011**.

The rules are detailed below. If you want to get credit for signing up a member, make sure the person adds your name and member ID to any paper form or online form.

**BMW CCA Membership Contest rules**

*These are the official rules and as such supersede any description listed elsewhere, and any verbal communications.*

The BMW CCA membership drive is open to current BMW CCA members.

**New Membership Definition**
A new membership is defined as a membership for an individual who has not previously belonged to BMW CCA, or an individual who was previously a BMW CCA member but whose membership lapsed at least six months prior to the date of the new membership. A new membership with a corresponding associate membership counts as one new membership.

**Eligibility**

To be eligible, current BMW CCA members must be paid members in good standing through December 31, 2011 (that is, they may not be members by virtue of being "comped" by BMW CCA or a BMW CCA chapter).

**Rewards for current BMW CCA members who refer new members**

For each new member that joins, referring members will receive $5 in “BMW CCA Bucks” that can be used for the purchase of anything sold by BMW CCA—or applied to CCA membership fees. There is no limit to the amount of “BMW CCA Bucks” a member may receive based on new-member referrals. “BMW CCA Bucks” will expire on 12/31/2012 and have no cash surrender value.

Please note that memberships purchased by dealers for their customers are not eligible. This exclusion is in effect even if a current BMW CCA member is listed on the application as a referrer.

**New members can join:**

1) By calling 800 878-9292 to submit their application and credit-card information over the telephone. The referring member's name and BMW CCA member number must be provided at the time the call is made.

2) By visiting the www.bmwcca.org website and submitting an application online. To receive credit, the referring member's name and BMW CCA member number must be entered in the appropriate space on the online application form.

3) By mailing a membership application to the National Office. In order to receive credit, the referring member's name and BMW CCA member number must be written on the application. Membership applications and BMW CCA brochures are available from the National Office by calling 864 250-0022 or by sending an e-mail to stevens@bmwcca.org.

**Deadline, Procedures, and Restrictions**

In order to be counted, the National Office must receive all new member applications no later than December 31, 2011.

If referred by a current BMW CCA member, a new-member application must contain the name and BMW CCA member number of the referring member in order for the referring member to receive credit. Credit may not be applied retroactively. If a new member cancels their membership within 30 days of joining, the referring individual will lose credit for that membership.

If a new member is referred by a current associate member, the associate member will receive the “BMW CCA Bucks,” and be entered into the M School drawing.

“BMW CCA Bucks” and other prizes will be awarded at the end of the program only to those who are members in good standing at that time.

**1st Prize:** One-day M School at the BMW Performance Center, plus two nights lodging for one, not including transportation. Referring members will receive one chance to win an M School per new member referred. New members referred by a current member during this period will also be entered to win an M School. Must be redeemed by December 31, 2012.

**2nd Prize:** 2012 Oktoberfest Registration.

**3rd Prize:** Valentine 1 radar detector.
BMW CCA members who are members of the National Board of Directors, paid employees of BMW CCA, Roundel senior staff, and members of their immediate families or households are eligible for referral reward incentives, but are not eligible for the grand prizes.

Referral credit will not be given to applications received without the referring member's BMW CCA member number. BMW CCA members will be able to track their referrals by accessing their personal information through the BMW CCA website. “BMW CCA Bucks” awarded under this program will be mailed to members within 45 days of the end of the Membership Drive.

To help members earn credit for every referral they make, we suggest you use the attached link in all your e-mails, forum, and website postings. Delete “Your ID” from the end of the link, replacing it with your membership number. When a potential member uses the link to join the Club, your membership number will automatically fill in on the join form!
