

UPDATE FROM NATIONAL FOR CHAPTER OFFICERS

Post-Meeting Information

Thank you to all of the Chapter Representatives who attended the South Atlantic and South Central meetings! We appreciate the passion and dedication on display.

We have created a web page that compiles all the information from each of the meetings. Meeting minutes will be available soon, and we'll post them to that page as soon as they have been approved.

[View the meeting materials](#)

You must be logged in to view the materials as they are restricted to Chapter Representatives only. Keep checking that page for updates as the meetings in other regions are completed.

Any questions about the meetings should be directed to the following individuals: [The National Board of Directors](#), [Frank Patek](#), and [Lindsey Branston](#).

Thank you for your continued support of the club!
