## Special Message to Chapter Treasurers

Greetings fellow Chapter Treasurers!

I had the pleasure of meeting a number of you during the National Congress last month in Dallas. Expanding on the discussions between some of us and with Brian and Lindsey from the National Office, with their blessing and assistance I put together a quick ten question survey about chapter accounting.

<https://www.surveymonkey.com/r/KDDMQ5G>

If you'd be so kind as to take a moment to provide your feedback I'd be most appreciative. Our chapter is still in its infancy, so these data points will help us shape how we manage our finances going forward, as well as provide some additional insight to the folks at the National Office about how we're all managing our membership and our money.

Thank you kindly in advance for your time.

**Chris Chappell**  
Founding Treasurer
